

# 'WOULD YOU RATHER?' - FAMILY GAME

This is a simple game for all the family to play, whatever the age. We've put together a series of silly questions that simply ask...would you rather?

## INSTRUCTIONS

The first thing you have to do once you've printed out the PDF file is to cut out all the questions. then, fold them in half and put them into a jar or box. Then each player takes it in turn to pull out a piece of paper, read out the question and answer it. Discussing what choice they make and justifying their decision. Some of the questions are pretty silly, so the decisions are sure to lead to lots of laughs.
